CRUISING TOWARD A SUSTAINABLE FUTURE

To help reduce plastic waste in our oceans, Norwegian has eliminated the use of plastic straws on board and will no longer serve beverages with straws. Plastic waste, including millions of plastic straws, is harmful to marine wildlife like sea turtles and whales. Norwegian is working to preserve our oceans for future generations through our Sail & Sustain program. Help us create a sustainable future for our oceans and skip the straw with your next beverage.

IMPORTANT NOTICE ON ELECTRONIC DEVICES

Fire prevention is always a priority on board, therefore we kindly ask our guest to unplug all electronic devices before leaving their stateroom. These devices could include but are not limited to cell phones, cameras, electric shavers, and hair dryers. Your stateroom attendant has been instructed to disconnect any electronic device that has been left unattended. We thank you for your understanding and compliance with this Safety policy.

WELCOME TO BOSTON

Boston is one of the oldest cities in the United States, founded on the Shawmut Peninsula in 1630 by Puritan settlers from England. It was the scene of several key events of the American Revolution, such as the Boston Massacre, the Boston Tea Party, the Battle of Bunker Hill, and the Siege of Boston. Upon U.S. independence from Great Britain, it continued to be an important port and manufacturing hub as well as a center for education and culture. The city has expanded beyond the original peninsula through land reclamation and municipal annexation. Its rich history attracts many tourists, with Faneuil Hall alone drawing more than 20 million visitors per year.

TIP OF THE DAY: Please remember all on board time is at 5:30p.

GUEST ADVISORY

SAY HELLO TO SAINT JOHN

The recently restored waterfront and Market Square are incredibly picturesque. Admire the Victorian architecture as you follow the Harbor Passage to one of the most popular attractions in town. The renowned Reversing Falls Rapids are where the bay meets the river to create a phenomenal effect. Just as spectacular is the coastline along the Bay of Fundy. Carved by melting glaciers and then sculpted by the highest tides in the world, Hopewell Rocks is an absolute vision.

TIP OF THE DAY: Did you remember to set your clocks 1 Hour forward last night before going to bed?

YOUR ADVENTURE AWAITS

TIP OF THE DAY: Please remember all aboard time is at 4:30p.

To help reduce plastic waste in our oceans, Norwegian has eliminated the use of plastic straws on board and will no longer serve beverages with straws. Plastic waste, including millions of plastic straws, is harmful to marine wildlife like sea turtles and whales. Norwegian is working to preserve our oceans for future generations through our Sail & Sustain program. Help us create a sustainable future for our oceans and skip the straw with your next beverage.
